

# IFG Story

(Can be found at [www.ifeelgreatnow.com](http://www.ifeelgreatnow.com))

## Facts That Matter

**The #1 disease killer of children 1 – 14 is cancer.** The [National Vital Statistics](#) program at the CDC

*Younger Women Being Diagnosed With Advanced Breast Cancer At Alarming Rate*

Journal of American Medical Association, 2013

*Breast cancer in the US is the second most deadly form of cancer in women and is expected to kill more than 39,000 Americans in 2013.*

National Cancer Institute

**Cancer is becoming America's #1 killer disease in all age groups.** CDC

Research shows that diets high in Fruits and Vegetables decrease the risk of heart disease, cancer, diabetes, anemia, constipation, autism in children, susceptibility to colds, flu, and asthma, plus it helps with weight control. University of Missouri

**Americans consume only 20% of the needed daily 7 – 13 servings of Fruits and Vegetables.** USDHHS

When was the last time you got 5-13 servings of Fruits & Vegetables in one day?

Scientific data from over 4,000 published studies shows overwhelmingly that Fruits and Vegetables help protect against cancer and heart disease. They also state that eating Fruits and Vegetables **every day** lowers our risk of virtually every disease."

*Delia Garcia, M.D. Success Express Fall 2005*

**Traditional methods for cooking vegetables can lose from 50%-80% of their nutritional value and it destroys the enzymes, especially the digestive enzymes.** George Mateljan Foundations, 8/20/12

Every time you eat you are either building good health or destroying your health. There is no in-between! Pay day someday!

**Re:Fuel helps you get **natural whole food Fruits & Vegetables** with every meal and with every snack. It's that simple!**

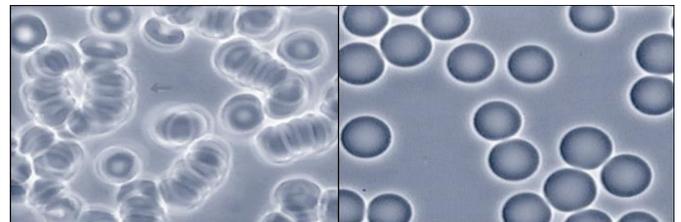

You get 300% more nutrition from the food you eat when you include Re:Fuel because of the Digestive Enzymes and CAeDS.

**Re:Fuel = 6 products in 1. You get Whole Food Vitamins, Chelated Minerals, Digestive Enzymes, Probiotics (12 strains), Antioxidants and Fat Digestive Enzymes in every Re:Fuel capsule. There is no other product in the world like it.**

### Red Blood Cells

**Before Re:Fuel**

**After Re:Fuel**

It's hard to argue with the health benefits of a diet rich in Fruits and Vegetables: **Lower blood pressure;** reduced risk of **heart disease, stroke, and cancers;** lowers risk of **eye and digestive problems;** and has a mellowing effect on **blood sugar** that can help **reduce appetite,** which promotes **weight loss.** *Harvard School of Public Health*

Question: How much do you think it would cost to buy a month's supply of Fruits & Vegetables for one person at the grocery store? About \$240+

Question: How much do you think the average person who uses energy drinks spends per month? About \$35+

# Why “The I Feel Great” Income Opportunity Works!

**#1 - Great Products:** We all need 5-13 servings of Fruits & Vegetables, but because of our busy lifestyle and eating habits it just doesn't happen. We all need an easy, convenient, simple, and inexpensive way to get our Fruits & Vegetables every day. The I Feel Great program helps you do that with **Re:Fuel PLUS** the program also includes **Re:Vive**, an all-natural energy drink without the junk found in energy drinks today!

**#2 - Great Price:** When compared to grocery store prices (\$240+) and competitor prices (\$171+) the I Feel Great program (\$59.99) is at an unbelievable price.

**#3 - Simple and easy way to make money:** First of all you are at the beginning of this program. **In business timing is everything.** In a nationwide survey over 90% of the people surveyed said they were looking for a way to get more Fruits & Vegetables into their diet and said they would be interested in a program like I Feel Great. Social Media and shopping online is also a driving force behind this business opportunity. The program works very similar to the membership programs offered by Sam's Club and Costco except Vollara pays you for referrals and organizational development.

**PLUS everyone wants to:**

1. **Reduce their taxes.**
2. **Be Healthy**
3. **Have Financial & Time FREEDOM**

This business helps you accomplish all 3!!!!
