This Growth Chart is an Example of how the Numbers work using the Host Rewards Healthy Home Showcase 4 and the KZ 4 Gets You More programs.

In this example each Business Associate buys 40 PPV on S+S and Sponsors 4 Business Associates to do the same; 40 PPV and they sponsor 4 Business Associates.

This example is for a serious Business Associate. It encompasses the best of the Comp Plan and can qualify you for the highest Executive Rank.

In the PROCESS finding 4 Business Associates you will end up with hundreds of PC's/BA's whose purchases will be counted as additional income for you.

***Again, this is an example of how the numbers work. Vollara's requirements at each rank apply.**
